

*2 bedroom seafront apartment in Neapolis area

#69009

€1,800,000 +VAT

One of the most integrated beachfront developments in Cyprus – currently under construction on Limassol's coastline. This amazing development has a range of luxury apartments all with direct views of the sea on a remarkable coastal location. Its exceptional architecture allows residents to enjoy beachfront living in a serene and relaxed environment.

The apartments have a spacious living area, with large terraces extending the living room and main bedrooms with carefully selected natural materials and finishes. Dedicated resident lobbies and elevators, security, controlled access, and first-class parking facilities come together to provide complete peace of mind and privacy. This is a collaboration of world-class architects, designers, and developers with local and high-rise expertise.
